

No. ED(Dist-II/Dist./ M-1 /PMBM / **MO 8668**

Date :- **07 APR 2022**

To,
The Chief Engineer,
MSEDCL,
All (O & M) Zones.

Sub: Extension of empanelled agencies for Preventive and Breakdown Maintenance and Infrastructure Development to release New Connections.

Ref.: 1) T.O. Circular No .CE (Dist)/ M-I/ R&M/ 6188, Dated: 11-03-2022.

With reference to above subject, separate agencies have been empanelled subdivision wise for Preventive and Breakdown Maintenance for HT/LT line, DTC and Infrastructure development to release new connections at Division level, and at the same time, separate agencies have been empanelled division-wise for Substation maintenance & repairing of failed Distribution Transformer at Circle level.

As per provision of empanelment, the period of existing empanelment is upto 31st March 2022 which may be extendable for the period of further two years. This office is in receipt of request letters from some of the field offices regarding guidelines for extension of existing empanelment process / new empanelment for preventive and breakdown works.

At present the review of Empanelled agencies is being taken at Corporate Office. Also the SoP has already been issued to review performance of these empaneled agencies. This process may take some more time. Therefor as an interim arrangement, the existing empanelment is herewith extended for the period of three months i.e. upto 30th June 2022.
