Works Portal

- 1. Enter following link in web browser to access application https://works.mahadiscom.in/WorksPortal/
- 2. RAPDRP User Profile details will be used for login, authorization, additional charge, notification (Mobile Number, Email ID) in application
- 3. Agriculture (AG) consumers will pay electricity bills through OCCS/ Online Payment system.
- Agriculture Contingency Fund (ACF) will be created at Gram panchayat (GP) (33%)/ District (33%)/ MSEDCL (34%) level as per collection of AG bills (after deduction of commissions/ incentives).
- 5. Hon. MP/ MLA/ MLC will submit Requirements for new AG Infrastructure & Augmentation of existing AG Infrastructure through Mobile App.
- 6. SO/ SDO will approve Technical Feasibility of Requirements through Mobile App.
- SO will create/ submit/ delete Estimate for DTC (New/ Augmentation), HT Lines (11KV/ 22KV)/ LT Lines without any restriction of ACF limit for Technical Feasibility Approved Requirements and for other than Requirements.
- Division EE will approve/ reject/ delete Estimate for DTC (New/ Augmentation), HT Lines (11KV/ 22KV)/ LT Lines within balance GP ACF limit. Estimate amount will be deducted from balance GP ACF only when Estimate is Approved.
- 9. Circle SE can delete Approved Estimate (by Division EE) if Project & Works Order not approved in SAP ERP system. Estimate amount will be reverted to balance GP ACF only when Approved Estimate is Deleted.
- 10. SDO will create/ submit/ delete Estimate for Substation (New/ Augmentation)/ DTC (New)/ HT Lines (11KV/ 22KV/ 33KV) without any restriction of ACF limit for Technical Feasibility Approved Requirements and for other than Requirements.
- 11. Circle SE will approve/ reject/ delete Estimate for Substation (New/ Augmentation)/ DTC (New)/ HT Lines (11KV/ 22KV/ 33KV) within District ACF limit. Estimate amount will be deducted from balance District ACF only when Estimate is Approved.
- 12. Zone CE can delete Approved Estimate (by Circle SE) if Project & Works Order not approved in SAP ERP system. Estimate amount will be reverted to balance District ACF only when Approved Estimate is Deleted
- 13. Concerned authority will create Project under AG Policy-2020 scheme based on created Estimate through SAP ERP system.
- 14. Concerned authority will create & issue Work Order (WO) based on created Estimate PDF through SAP ERP system.
- 15. Concerned authority will create/ approve SES based on JMC, WCR, Commissioning through SAP ERP system.
- 16. Details (status) of Project, WO, SES will be displayed in Works Portal.

1. <u>Management of Requirements for Agriculture (AG) Infrastructure</u>

Hon. MP/ MLA/ MLC will submit of Requirements for new AG Infrastructure & Augmentation of existing AG Infrastructure through Mobile App.

Requirements will be submitted for Substation (New/ Augmentation), DTC (New/ Augmentation), HT Lines (11KV/ 22KV/ 33KV), LT Lines

2. <u>Management of Technical Feasibility for Requirements for Agriculture Infrastructure</u> SO/ SDO will submit Survey/ Approval of Technical Feasibility of Requirements through Mobile App.

MSEDCL

Survey/ Approval of Technical Feasibility of Requirements will be for Substation (New/ Augmentation), DTC (New/ Augmentation), HT Lines (11KV/ 22KV/ 33KV), LT Lines

3. <u>Management of Estimate for Agriculture Infrastructure</u>

SO will create/ submit/ delete Estimate for DTC (New/ Augmentation), HT Lines (11KV/ 22KV)/ LT Lines without any restriction of ACF limit for Technical Feasibility Approved Requirements and for other than Requirements.

Division EE will approve/ reject/ delete Estimate for DTC (New/ Augmentation), HT Lines (11KV/ 22KV)/ LT Lines within balance GP ACF limit. Estimate amount will be deducted from balance GP ACF only when Estimate is Approved.

Circle SE can delete Approved Estimate (by Division EE) if Project & Works Order not approved in SAP ERP system. Estimate amount will be reverted to balance GP ACF only when Approved Estimate is Deleted.

SDO will create/ submit/ delete Estimate for Substation (New/ Augmentation)/ DTC (New)/ HT Lines (11KV/ 22KV/ 33KV) without any restriction of ACF limit for Technical Feasibility Approved Requirements and for other than Requirements.

Circle SE will approve/ reject/ delete Estimate for Substation (New/ Augmentation)/ DTC (New)/ HT Lines (11KV/ 22KV/ 33KV) within District ACF limit. Estimate amount will be deducted from balance District ACF only when Estimate is Approved.

Zone CE can delete Approved Estimate (by Circle SE) if Project & Works Order not approved in SAP ERP system. Estimate amount will be reverted to balance District ACF only when Approved Estimate is Deleted.

For particular GP (Gram-panchayat) village, GP ACF balance = total GP ACF amount - total GP Estimate approved amount.

For particular District, District ACF balance = total District ACF amount - total District Estimate approved amount.

3.1. Management of Estimate for Hon. MP/ MLA/ MLC Requirements **3.1.1.** Management of Estimate for Substation (New)

Click on AG Policy > Management of Estimate > For Hon. MP/ MLA/ MLC Requirements > Substation (New) option

Fill in all required details in following screen.

Select District

Select Taluka

Click on Search button

Click on Download Estimate button. Estimate will be downloaded in PDF format.

- 1. Enter SLD File <No SLD>
- 2. Enter Estimate Description
- 3. Click on Update button. Estimate details will be updated.
- 1. Enter SLD File < Upload SLD>
- 2. Enter Estimate Description
- 3. Select File <JPEG/ JPG/ PDF>
- 4. Click on Upload button. Estimate details will be updated.

- 1. Select Consumer
- 2. Click on Add button
- 3. Add Multiple ones as above, if required
- 4. Click on Delete button to delete added ones
- 1. Enter Estimate Number (to be copied from)
- 2. Select Centages
- 3. Click on Copy Estimate button. Existing Estimate details will be copied to new (current) Estimate.
- 1. Select Activity
- 2. Select Centages
- 3. Click on Add button
- 4. Add Multiple ones as above, if required
- 5. Click on Delete button to delete added ones
- 1. Select Material
- 2. Enter Quantity
- 3. Select Activity (already added)
- 4. Select Provided By
- 5. Click on Add button
- 6. Add Multiple ones as above, if required
- 7. Click on Delete button to delete added ones
- 1. Select Service
- 2. Enter Quantity
- 3. Select Activity (already added)
- 4. Click on Add button
- 5. Add Multiple ones as above, if required
- 6. Click on Delete button to delete added ones

Click on Update button. Quantity will be updated for respective Material/ Service from Activity List

Click on Delete button under Activity List. Material/ Service will be deleted from Activity List.

Click on Refresh button. Estimate details will be updated in header section.

Click on Delete Estimate button. Estimate will be deleted.

Click on Submit Estimate button. Estimate will be submitted for approval. (no change in Submitted Estimate at SO/ SDO level)

Create / Approve Estimate (other than Hon. MP/ MLA/ MLC Requirements)
